Which option is right for you?

# Accounting and Payroll Solutions

Sage Business Cloud is the comprehensive business management solution that caters for businesses of all sizes – from startup to enterprise, offering a one-stop solution for all your organisation's needs.

Forming part of this innovative suite of cloud products, Accounting and Payroll provide you with easy-to-use, online accounting and payroll tools designed to support your small business, and make running it a breeze. Sage Business Cloud is the comprehensive business management solution that caters for businesses of all sizes – from startup to enterprise, offering a one-stop solution for all your organisation's needs.

## Why choose Accounting and Payroll Solutions?

### Simple

Online accounting and payroll could not be simpler. Written in easy-to-understand, everyday language – anyone can use them.

### Secure

Because your data is online, it's always secure. No backups required. Plus, our password encryption is world-class.

### Flexible

Hosted entirely online, access your software and data from anywhere, at any time. All you need is an internet connection.

### Compliant

Take care of payroll legislation with software that helps to keep you compliant.

### Collaborate

Work with your accountant online, on the same data at the same time.

## Why choose Sage Business Cloud Accounting?

- Invoicing has never been this easy. Create professional quotes and invoices in a flash.
- Nothing is more important than knowing your business is on track. With customisable dashboards, gain instant insight into how your business is performing.
- Do you spend hours capturing bank statements? Bank feeds allow you to link your bank account to Sage Business Cloud Accounting for bank transactions that are updated every day.
- Set up budgets and compare them to real-world business performance.
- Easily manage customers and suppliers and get paid faster with the Customer Zone self-service tool.

## Why choose Sage Business Cloud Payroll?

- Take care of payroll legislation with software that helps to keep you compliant.
- Get a clear picture of your company's monthly leave transactions in a calendar view.
- With no software to install, access your payroll from any mobile or desktop browser using an intuitive, modern user interface.
- Expand your payroll solution as your business grows, adding as many employees or pay cycles as you like.
- Seamlessly integrate your general ledger with Sage Business Cloud Accounting.
- Multi-user functionality allows additional users to access your system for free.
